Payment Terms: Payment of the account balance shall be made in accordance with DANNCO's invoices, terms and conditions of sale. The terms and conditions of this credit application and DANNCO's invoices and other documents relative to the sale of its products shall have priority and prevail over any terms and conditions of customer's purchase orders or other documents.

If any indebtedness is placed in the hands of an attorney for collection or it is collected by suit or through probate or bankruptcy proceedings, the Customer agrees to pay all costs and interest at 1-1/2% per month on the outstanding amount plus the actual amount for attorney's fees.

Customer affirms that it is financially able to meet commitments it has made and expects to pay invoices in accordance with the terms as specified.

NOTICE: The customer hereby agrees to be bound by the material terms and conditions of this credit application agreement and related terms and conditions of the sale and purchase order.

The undersigned affirms that information provided above is true and accurate in every respect.
